2020 Starter Plant Order Form

4 packs \$3, Singles \$1

We are entering our 4th year committed to offering you healthy starter plants for your garden. Our plant seeds continue to be organic and Non-GMO verified. All stages from seed to transplant are planted in certified organic soil. More plant varieties will be available closer to the growing season – please contact us for added varieties (call, email, or visit us at the Cold Spring Farmers Market).

Payment is due at the time of plant pick-up or mail payment with your order form. **Pre-order your starter plants by February 29, 2020 to guarantee availability.**

We look forward to getting your garden off to a healthy start. Thank you for supporting and growing a HEALTHY FUTURE!
